An ISO 9001:2015 certified company

Brief product catalog.

## INTRODUCTION

We are NSIC and ISO 9001:2015 certified leading manufacturer of COPPER ALLOYS. Incepted in 1998.

## OUR PRODUCTS

Copper alloys manufactured by us are based on PREMIUM & VIRGIN raw materials. Thus, we have been maintaining 99.9% purity in our alloys. Following are the range of our products which are available in customized composition, shapes and sizes:

- Copper Phosphorus Alloy
- Cupro Silicon Master Alloy
- Copper Manganese Alloy
- Copper Arsenic Alloy
- Ferro Copper Alloy
- Phosphor Bronze Alloy
- Copper Tin Alloy
- Brazing Wire and Fluxes of Copper Brass, Silver and Aluminium.
- Etc

**SAI METAL WORKS**

**Mastering the master alloys**

## FIELDS WE SERVE

Copper Wire, Rods, Sheets and Tubing Industry, Ministry of Defence (PUNA, KATNI, NAGPUR), Ministry of Steel (SAIL), Ministry of Heavy Industries (BHEL), Automobile Industry, life-care Industry, Air- conditioning Industry, Shipping Industry, Mining Industry.

## OUR CLIENTS

We have been serving leading reputed copper industries and government sectors in BHARAT & serving overseas copper industries also.

- MUNITIONS INDIA LIMITED (Defence Ministry), PUNA, NAGPUR, DEHRADUN
- BHEL - BHOPAL, HYDERABAD, HARDWAR
- SAIL - KULTI, WB
- BOKARO STEEL
- HMT, PINJORE
- YANTRA INDIA LIMITED, KATNI (MP)
- INDIA OPTEL LIMITED, DEHRA DUN
- RR KABEL, GUJARAT, MetTube Copper Gujarat
- CMR (HARYANA, TAMILNADU, GUJARAT, UTTARAKHAND) ETC
